INDEPENDENT AUDITOR'S REPORT

Board of Directors
University of Louisiana at Monroe Alumni Association
Monroe, Louisiana

We have audited the accompanying statements of financial position of the University of Louisiana at Monroe Alumni Association as of June 30, 2000 and 1999, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the University of Louisiana at Monroe Alumni Association as of June 30, 2000 and 1999, and the changes in net assets and cash flows for the years then ended, in conformity with generally accepted accounting principles.

UNIVERSITY OF LOUISIANA AT MONROE ALUMNI ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2000 AND 1999

Note 1 - Summary of Significant Accounting Policies

A. Nature of Activities

The University of Louisiana at Monroe (ULM) Alumni Association (the Association) is a non-profit organization located in Monroe, Louisiana. The ULM Alumni Association serves to foster a spirit of loyalty and fraternalism among graduates, former students, students and friends of the University of Louisiana at Monroe and to achieve unity of purpose and action in promoting the best interests of the University.

The Association seeks to enlist the volunteer involvement of ULM alumni and friends in support for the University as a means of assisting ULM in reaching its full potential as a teaching, research and service institute of higher education in Louisiana.

The Association endeavors to provide the leadership and support services, through its financial and human resources, which will enhance the University's efforts to satisfy the economic, cultural and educational needs of the region and state.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Basis of Accounting

The financial statements of the University of Louisiana at Monroe Alumni Association have been prepared on the accrual basis and in conformity with the standards promulgated by the American Institute of Certified Public Accountants in its *Audit Guide for Not-for-Profit Organizations*.

D. Accounting Pronouncement

In June 1993, the Financial Accounting Standards Board (the FASB) issued Statements of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and Contributions Made* and No. 117, *Financial Statements of Not-for-Profit Organizations*. As of July 1, 1996, the Association adopted both of these pronouncements.

SFAS No. 116 establishes accounting standards for contributions and generally requires unconditional promises to give – including multiyear promises – be recognized at fair value in the period the promise is made. Conditional promises to give are recognized when they become unconditional.

Note 1 - Summary of Significant Accounting Policies (continued)

SFAS No. 117 will change the focus of the Association's financial statements from disaggregated reporting by fund groups to reporting on the organization as a whole. The statement requires the Association to report information regarding its financial position and activities according to three classes of net assets: *unrestricted net assets*, *temporarily restricted net assets* and *permanently restricted net assets*. In addition, the Association has continued to use fund accounting as described below.

E. Financial Statement Classification

The assets, liabilities, and net assets of the Foundation are reported in one class as follows:

Unrestricted -- includes all resources to be used in support of the Association's operations at the sole direction of the Association.

Board Designated Endowment -- includes amounts that the Board of Directors transferred to be invested with the ULM Foundation's assets for higher returns than *normally earned with certificates of deposits*. These funds are earmarked for major renovations to the Alumni Center Building.

F. Contributions

In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor-imposed restrictions. Contributions are recognized as support when received or when an unconditional promise to give is received.

G. Tax Status

The University of Louisiana at Monroe Alumni Association is a nonprofit corporation exempted from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

H. Functional Allocation of Expenses

The direct costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Activities. Program services expenses are those directly related to the purposes for which the Alumni Association exists. Supporting services expenses reflect other expenses incurred in operating the programs.
